Dear Families,

I am writing to share some wonderful news, that I hope will make your back-to-school preparations a little easier this year.

I am absolutely delighted to announce that I have been successful in an application to Stockport County FC to provide sports kits for our entire school. As a result, the club has generously donated brand-new PE kits for every single pupil. Because of this successful donation, you will not need to purchase a PE kit for your child for the upcoming school year. We know that uniform costs can be a significant burden, and we are thrilled to be able to provide these high-quality kits to all of our families free of charge.

The provided kit will comprise of a t-shirt, shorts, jogging bottoms and sweatshirt.

- Distribution: We will be handing out the kits to all children when they return in September.
- Sizing: We have secured a range of sizes to ensure that every child receives a kit that fits them properly.
- Preparation: You can cross "PE Kit" off your summer shopping list immediately!

We are incredibly grateful to Stockport County for this generous gesture, which ensures that every student starts the year on an equal footing, ready to stay active and enjoy their PE lessons.

Warm regards,

Mrs Faryniarz
