26<sup>th</sup> June 2026

Dear Families,

As we reach the end of what has been an extremely hot week, I wanted to take a moment to express my sincere gratitude to you all. Thank you for being so incredibly supportive of the school and for following government guidance to ensure the children have been in school safely during this warm spell. Thankfully, it looks set to cool down a bit next week!

Please find a few important updates and reminders below:

#### School Update: Allergies & Anaphylaxis Policy

Attached to this letter, you will find our updated Allergies and Anaphylaxis Policy. Please take the time to review this. As a reminder, items containing nuts must not be brought into school—this includes Nutella sandwiches. We have children in school with severe allergies, and your cooperation is vital in keeping them safe.

#### Benedict's Law (Coming September)

Please note that Benedict's Law will be in place from September. This is an important update regarding allergy safety in schools, and a further, more detailed letter will be sent regarding this.

#### Eco Council: Marine Week!

Our wonderful Eco Council has arranged Marine Week for next week.

- **In-Class Activities:** The children will be participating in specific marine-themed activities throughout the week.
- **Thursday Blue Day:** On Thursday, we are inviting all children to wear a blue item of clothing alongside their usual school uniform or PE kit to celebrate and raise awareness.

#### PTA Tuckshop Today

Our PTA Tuckshop will be taking place after school today. As always, we extend a huge thank you to our families for supporting this, and an additional thank you to the PTA for their continuous hard work and commitment to St Mary's.

Thank you again for your ongoing support. Have a wonderful, restful weekend.

Warmest wishes,  
Mrs D Faryniarz

"How wonderful and pleasant it is when God's people live together in harmony!" — Psalm 133:1
