11th July 2024

Dear Families,

We are rapidly approaching the end of the academic year. The children will be visiting their new classes next Thursday and we again warmly welcome you to our transition parents' morning on Wednesday 24th July giving you an opportunity to meet and chat to your child's new class teacher.

Thank you to all the families who attended our Sports Day on Wednesday 3rd July. There was such a wonderful, positive atmosphere cheering the children on and encouraging them to have fun. Thankfully we were blessed with positive weather this year.

As I am sure you will be aware, we have had numerous complaints regarding the continued parking issue on Broomfield Drive. The School Council and Eco Council have met this week and created the attached poster to share their thoughts and concerns regarding this. I ask again that you support us in not parking on Broomfield Drive and respect the restrictions of our School Street. We have requested further visits from parking enforcement officers and I am meeting local councillors next week to discuss any other measures that can be put in place. Likewise, please respect this when collecting from after school clubs to keep our whole school community safe.

Children will receive their end of term reports tomorrow and it has been a delight to read all the positive comments and achievements. Your child's attendance and punctuality from September is recorded on the report, replacing the usual termly banded letters. Thank you to all the families who support school with their ongoing commitment to this.

If you have any questions or issues arising from your child's report, their teacher will be available in classrooms until 4.30 on Tuesday 16th July as a drop-in session to give you an opportunity to discuss these.

The Friday class assemblies have been a wonderful celebration of all the children have learnt and enjoyed this year. We also had the year 6 end of term show this week that showcased the tremendous talent here at St Mary's. Thank you once again to all the families who support us and the children with their hard work and love of learning.

Have a wonderful weekend and let's hope that England continue their journey to victory. I am sure we will all be cheering them on!

With the warmest wishes,

Mrs Faryniarz
